BOC Report

561 Andy Meehan Engine irregularities, 2 month ORCi ban + six months suspended.
564 Shane Coupland Engine irregularities, 2 month ORCi ban + six months suspended

All Drivers please remember to book in as soon as you know you are racing, and it's equally important to cancel if you know you can't make it.

We are always looking for people to help at the stadium on race days in all departments. If you would like to be involved with a hardworking, friendly, underpaid team of racing enthusiasts than this is for you. If you feel you have the skills than please ring 0844 559 1228 for details. We particularly need someone to train as a lapscorer & timekeeper, (working the lap top), training will be given and you get to see the racing in the dry!!!

Please note the new rule for 2016

During a race, you must not exit your car whilst on track or on the infield. The only exception to this is when you are in extreme danger within the car, for example in the case of fire. In this case you must exit the car with extreme care, always remembering that there is a danger of other competitors on track. You should then make your way to the nearest Safe Area. These designated 'Safe Areas' will be identified at the driver's pre meeting briefing or written Drivers Instructions.

When you remain in your car on the track, keep your harness and helmet on, until the end of the race or until the race is cautioned or stopped. You should then make your way to a designated Safe Area as noted above

What should I do if I need to stop my car because of mechanical failure during a race?

Retire to the Infield as soon and as safely as possible. When you have retired to the infield, remain in your car, keeping your harness and helmet on. You must not get out of your car even under yellow or red flag stoppages, just remain in your car, until the end of the race.

ORCi 2016 Rules of Racing – Dated 5th February 2016

Scrutineers

Checks on cars will be ongoing all season, you may be asked to draw a golf ball out as you leave the track, depending on what color you pull, you may be required to go to scrutineering bay, to have some checks done.

Clerk of Course

Drivers are reminded that when they come onto track they must go straight to their starting grid positions, do not ride round & round the track.

Unbelievably yet again two cars were illegal when we did checks after the English Championship. It makes a mockery of the Championship event, all of the work the promotion team put in. You are cheating fellow drivers, paying spectators but most of all you are cheating yourselves.

We will be continuing with stringent check on engines in the Rookies and remember bans can & will be issued for irregularities.

We have re-introduced the buying car policy, where the Promotion can buy a Rookie Banger (less safety equipment, Manifold, Carb.) for £200. If a Driver refuses then the same rule applies where if a part is not left for checking, the Driver is deemed to be illegal and will be subject to a BOC.

The next caravan race of 2016 is on Sunday 26th July 1pm, Carnival Day we do have some spaces left as two of our regular drivers are away. Contact

We will be placing spotters on the track to watch for contact, please make sure you race cleanly. Places will be docked.

Transponders

Cars are required to have a Transponder fitted for lap scoring purposes for the start of 2017 Season, these will be the AMB/MyLaps Transponders and the model types can be 260DP, 260, 160DP, 160, the "DP" refers to it being a Direct Powered one, i.e. no internal rechargeable battery, the cheapest type that is compatible with the MyLaps System is the 160, as this is aimed at Karting it will work perfectly fine [stoxkarts and national mini's use them].

Contact

It was noticed and discussed with Drivers rep about repeated contact during MD races at recent meetings. We will be having a spotter on the infield, and places will be docked.

We have more cars promised to be on track this year, the cars are big, take up a lot of track space, you must race within your capabilities, and no contact.
