### **Roof Pillars/Colours**

With all the Gold Roof Championships, and the end of the season for the coveted Silver Roofs, and over winter you will be building new cars & refurbishing cars, we feel it is of a necessity to remind you of how you paint your car roof & roof pillars.

Cars will not be permitted to have Gold or Silver Roof Pillars, down to the bottom of the window openings, apart from the relevant Champions who hold the Gold or Silver Roof. We feel this will add to the prestige of winning either (or both) of these championships, and to wear Gold or Silver, you have to go out and earn it.

And your roof must be painted in a neutral non grading colour or championship colour, unless you choose to denote your grading status by a coloured roof, rather than denote you're grading by your roof fin.

### **Scrutineers**

For any technical issues you need advice on, you can contact any of the 3 scrutineers listed below. For technical inspections on new cars, these still need to be booked through the stadium office.

Chris Lowe 07717 378908, Martin Lightbown 07506 321937, Dave Backham 07780 114045

## **BANGERS**

Such was the success of the team event, we are doing it again in 2019, the date being Sunday 16th June, 12 noon, but this time it is for Pre 90 Unlimited Bangers, again in teams of 4 drivers.

Initial interest and feedback has already been high. The date when we will accept official bookings is Monday 21st January 2019 is when we will need your team name, and a minimum of 3 drivers names, and you will then be officially booked in.

So over the next month, drivers can assemble their team(s), as well as source the relevant cars, which will enable us to construct a more accurate booking list.

In due course, we will be giving you updates on what cars are permitted, as although it is a pre 90 event, our panel of judges, made up of experienced officials and drivers, will take into consideration any cars that are very borderline to 1990. If the car is thought to be in the "spirit" of this era of banger racing, then it may be permitted, if it is classed as a more modern unlimited banger, then it may not be allowed. Each car will be judged individually, and if you wish to contact us about the suitability of a car, or for any other enquiries, then please feel free to contact us by text to 07798 868947, email to [drivers@skegway.info](mailto:drivers@skegway.info).
